Dear Prayer Partners,

MISC UPDATES

Our second preview service went well and I am thankful to all who had a role - planning the service, setting-up, preparing children's bulletins, bringing coffee, sound systems, etc. What a blessing. We had two visiting families which was a blessing as well and reminds us that we are already beginning to reach out beyond our core-group!

After the service, our core-group visited another possible meeting location after the preview service – a used-car building. Pray for wisdom as we consider this and other options.

The past week Lake Cities Community Church joined the Rowlett Chamber of Commerce, and I had the opportunity to attend their monthly luncheon. New members are given a 60-second introduction where you can share about your "business." It was a blessing to share about our new church to the group of about 200 people. I believe there were some divine appointments at that meeting, which will be fruitful contacts in the future.

JOURNEY TO FINANCIAL FREEDOM

You will find all the information you need for the Crown evangelistic outreach: **Journey to Financial Freedom** at www.LakeCitiesCommunity.org. We believe this seminar will be a blessing to anyone who attends, and are praying for attendance of around 70. (Current attendance is still about 8 – with additional advertising going out this week)

If you live in the Dallas area consider attending and bringing a friend. This is a great event to invite a non-believer to, because it will be a practical help to them, while giving them an opportunity to start a relationship with God.

CHURCH PLANTING QUOTE OF THE WEEK:

Do you know how important church planting is in some denominations? This should be a motivation for non-denominational churches to also make church planting a priority:

"This is our vision...large churches, small churches, traditional churches, non-traditional churches, churches being planted by pastors and lay people in schools, prisons, office buildings, on campuses, storefronts, and factories, etc."

- Dr Richard Harris, *7 Steps for Planting Churches*, Regarding the Southern Baptist Denomination's goal of planting 100,000 new congregations in North America by 2020.

E-MAIL LIST INFORMATION:

The purpose of this e-mail list is to encourage prayer for the planting of Lake Cities Community Church. The anticipated launch date is April 8, 2007, Easter Sunday.

Each week new people are added to this list. If you are one of these – **WELCOME!** It is our desire that this letter will help you to pray effectively and stay up to date on the happenings of Lake Cities Community Church!

Joyfully,
