

June 1, 2006

Welcome to those of your who just joined this e-mail list! The purpose is to remind you to pray for the church plant, and it is a good way for you to keep up to date with details and progress. If Lake Cities Community Church is to become a reality, it will only be through the prayers of God's people!

#### VISION:

The vision is for Trinity Fellowship Church to plant a daughter church in the East Dallas part of town, specifically in the Rowlett area. We are trusting the Lord to provide the people and the finances such that the new church can open its doors in 10 months...Easter of 2007.

#### PRAISE:

- For the support and great encouragement offered to the church plant project by the TFC staff and leadership. I am so thankful for this healthy relationship!
- For the many people at TFC who have offered their time and expertise to help in whatever way is needed.
- In the past week, another family has indicated their belief that the Lord is leading them to join the core group. We now have 6 families that have expressed this level of commitment.

#### SPECIFIC PRAYER REQUESTS:

- Continue to pray that the Lord would provide just the right place for the new church to meet; whether a lease situation, or purchase of land/building. Pray for wisdom and provision. If you have any ideas – please let me know!
- Continue to pray for the Lord to shape the core-team and to guide families and individuals who are considering being a part of the new church.

#### UPCOMING DATES:

- June 4, 2006 – Craig will be presented for ordination before the TFC elder board.
- June 24, 2006 (Saturday) – Lake Cities Social! For anyone who is considering joining the core group for the new church! At the Leines' home: 7802 Amesbury Lane, Rowlett, TX 75089, (972) 475-9208. 2-5pm swim/play for kids (or adults ☺ ) BBQ starting at 5pm... Bring side or dessert to share. #### CHURCH PLANTING QUOTE:

“The health of your church at launch will largely rise or fall on the size and commitment of your core team. Make it a priority to stay focused on people; particularly your core team. You will feel a constant tension between the seemingly endless details that must be taken care of and spending time developing relationships.” – from *Church Planting Solutions* ([www.churchplanting4me.com](http://www.churchplanting4me.com))
