

## Daniel 2:1-30

### Questions and Answers

Q) How could it be the 2<sup>nd</sup> year of Nebuchadnezzar's reign (2:1), when Daniel's training program is over and that took three years?

A) The answer is most likely found in ancient date keeping customs, where the first year of a king's reign is called the "accession" year. If this is the case, the story takes place shortly after Daniel's graduation.

<b>Years of Daniel's Training</b>	<b>Year of King's Reign</b>
First	Accession Year
Second	First year
Third	Second year
