

# **Come O Church**

**(Tune: Come Thou Fount)**  
**by Craig Schill**

## **1) Come O Church your Savior Jesus**

Worship Him now young and old!  
Bow before your King the Victor  
Rescued from the Devil's hold

Raise your voice, a Holy Priesthood  
God in you the Spirit dwells  
Sacrifice now is to praise him -  
Free from sin and death and hell.

## **3) Come O Church your head is Jesus**

Live in peace and unity  
To the world a loving witness  
Shining light for all to see

Come O Church, cry Abba Father!  
Children of the heavenly King  
Brother, sister now adopted  
Let your voice His praises ring!

## **2) Come O Church the Bride of Jesus**

Meet him ready, spotless, clean.  
Transformed by the Spirit's power  
Washed and pure in everything.

Come O Church abide in Jesus  
Bear the fruit of God above  
Pruned and growing ever higher  
Sing of God's amazing love!

## **4) Come O Church the Master calls you**

Share the gift of life and faith  
So that when this journey's over  
Life with Christ our Lord awaits!

Sing out loud – the hope of heaven  
Shine its light from shore to shore  
Fear is gone and tears of sadness  
Changed to joy forevermore!
